

World War I

Nicholas 11/11/14

In the great war lots of brave soldiers fought for their country in a great battle.

The battle was fought in the skies as well as on the ground³² and at sea.

Many soldiers lost their lives fighting for our way of life. The battles must have been terrifying and noisy. Lots of black smoke filled the skies from the bombs.⁶⁴ The trenches were cold damp and not nice to sleep in.

The great war was fought over large spaces of land in Europe.⁸⁷

We must not forget the soldiers who lost their lives in the great war in 1914.
